All,

At the request of Insp. LEMIEUX I am sending the below email.

At today's Command Call John Steinbachs indicated, diplomatically, that messaging regarding "Executive Orders" could have been better communicated to Members. As such, he is making Corporate Comms available to Command Centre to assist in the drafting of messaging to Members. The truth is that most of us get the wording from the SCC (or other places) and then send out what is requested. However, should we wish to disseminate messaging to the Membership, please contact Corporate Comms.
